

Ideal for small classrooms, training or meeting rooms.

Reliable and functional, the CLASSIC simple board offers a surface to choose plain or screen printed with lineages or grids according to your needs (writing with marker or chalk, projection, brightness of the room). Safe and environmentally friendly, it has been certified to NF Education and NF Environmental standards.

Details

SAFE FOR USERS: NF Education certification.

ENVIRONMENTALLY-FRIENDLY AND SUSTAINABLE: NF Environnement certification. Eco-friendly materials such as the PEFC certified substrate and e3 enamel surface, guaranteed for life* and 99% recyclable, which offers greater resistance to scratches, bacteria and chemicals. *Under normal conditions of use.

AVAILABLE IN MARKER, PROJECTION OR SCREEN WHITE AND CHALK GREEN: Marker or projection white for writing with markers and projecting, screen white for optimal projection, chalk green for writing with chalk. Many screen printings in option. Check out our guide.

MAGNETIC SURFACE: To display using magnets.

HOOKS TO HOLD MAPS/PAPER PADS AND PEN TRAY.

Materials

e3 enamelled steel surface vitrified at 800°C available in marker white, projection white, screen white or chalk green.

Backing made from high density chipboard (8 mm), certified to PEFC, recyclable to 99%.

Frame made from natural grooved alu (smooth anodized in option).

Top profile with sliding hooks in zamak to hold maps or paper pads (2 per metre), blocked at both ends. Bottom full length pen tray in aluminium.

Counterbalancing up to 120x200 cm using an aluminium sheet which protects the panels from deformation due to humidity.

Larger formats and projection white surfaces are backed with galvanised steel which maintains absolute flatness over time.

Bonded using polyurethane glue with absolutely no VOCs.

Protective end caps made from grey plastic.

Certifications & warranty

Board: 5 years / Surface: for life.

The product is certified to EN ISO 28762 et EN14334, NF Education and NF Environnement.

The chipboard is certified to PEFC.

Product is manufactured in a French factory which is certified to ISO 9001, ISO 14001 and ISO 45001.

M1 fire rating.
