6-sided board

VANERUM
an i3-VCP company

Compatible with any flat panel , this cabinet provides the best of both worlds.
Indeed, this two-wings set with mounting support allows you to combine an interactive touch screen, to use digital resources, with e3 enamel surfaces to write with a dry erase marker and display using magnets.

Details

IFP INTEGRATION: This set with 2 wings allows to have enamel writing surfaces while integrating an interactive touch screen.

PROTECTION AND HIDDING: Both wings hide the screen in the closed position.

UNIVERSAL : Compatible with any brand of panel up to 192.6 m wide. Other dimensions H126xL100 cm for 86'' screen.

EASY TO INSTALL: The structure is independent of the screen which is therefore fixed separately. Easy installation thanks to removable crosspieces to ensure perfect parallelism of the structure.

CONVENIENT: Peripheral accessibility of the controls and screen connections. Remote magnetic block to maintain wings open.

FOR TIGHT BUDGETS

ENVIRONMENTALLY-FRIENDLY AND SUSTAINABLE: Eco-friendly materials such as the e3 enamel surface of the wings, guaranteed for life* and 99% recyclable, which offers greater resistance to scratches, bacteria and chemicals. *Under normal conditions of use.

MAGNETIC SURFACE: To display using magnets.

Materials

Framework in lacquered folded sheet metal.
Block with magnet to keep the shutters in the open position.
Reinforcement of the framework by 2 lacquered aluminium crosspieces.
e3 enamelled steel surface vitrified at 800°C.
Substrate made from alveolar panel (9 mm), ecological (made from 100% waste, formaldehyde-free, VOC-free, recyclable to 100%) and ultra lightweight (85kg/m³).
Frame made from smooth anodized alu (5μm).
Bonded using polyurethane glue with absolutely no VOCs.
The metal compass hinges allow it to be mounted cantilevered.
Protective end caps made from plastic.

Certifications & warranty

Board: 2 years / Surface: for life.
This product is manufactured in a French factory which is certified to ISO 9001, ISO 14001 and ISO 45001.
M2 fire rating.
